

UNITED

A STAR ALLIANCE MEMBER 

Other airlines fly to the U.S. We cover it.

United offers unrivalled access to the United States with nonstop flights from six UK airports to six U.S. gateway airports. From these gateways you can connect to over 300 destinations across North, South and Central America and the Caribbean, providing you with the largest choice of destinations and endless options for the perfect multi-centre trip.

Fly nonstop to New York/Newark from London Heathrow, Belfast, Birmingham, Edinburgh, Glasgow and Manchester. Then travelling into New York City from Newark is really quick and easy – you can reach Manhattan in less than 30 minutes using the region's transit rail network.

Nonstop flights are also available from Heathrow to the gateways in **Chicago, Houston, Los Angeles, New York/Newark, San Francisco and Washington, D.C.**, and from Manchester to Washington, D.C.
