# Delta Comfort+™

Upgrade to Delta Comfort+ within the Delta Main Cabin.

- Passengers can benefit from up to 4 inches more legroom on international flights, than in the Delta Main Cabin
- Premium snacks and meal service available
- Complimentary amenity kit including; eyeshades, ear plugs, toothbrush and toothpaste
- Access to Sky Priority® boarding
- Dedicated overhead bin space
- Wi-Fi access (where available)
- Premium seat-back entertainment from Delta Studio™
- Library of films, TV, HBO®, SHOWTIME®, music and games
- Ergonomically designed Billboard earbuds
- Passengers can stream entertainment onto a personal device (where available)

Please note: Due to limited seating in Delta Comfort+, it can't be guaranteed that if your customers fly Virgin Atlantic Premium Economy outbound, that they will be able to fly Delta Comfort+ on their return journey

# Delta Main Cabin

A higher standard of flying.

- Settle into a comfortable leather seat with complimentary sleep kit, which includes eyeshades and earplugs.
- Sip on complimentary beer, wine, spirits, Starbucks® coffee and other non-alcoholic beverages, and enjoy a selection of satisfying meals and snacks.
- Stay connected with access to Wi-Fi, where available.
- Catch up on TV, movies and music with complimentary seat-back entertainment from Delta Studio™ and ergonomically designed Billboard earbuds.
