

Air Transat

Air Transat, Canada's leading leisure airline, operating flights from Birmingham, Dublin, Glasgow, Manchester & London Gatwick to Calgary, Montreal, Quebec City (via Montreal), Toronto and Vancouver.

Flights operate on our state of the art newly refitted A330 and A310 aircrafts. Enhanced in-flight services include mood lighting, leather seats for added comfort, as well as upgraded state of the art in-flight entertainment options. On all A330 aircrafts, passengers can enjoy touch screen, interactive seat back screens to view the latest release movies, music and shows, and on A310 aircrafts passengers can use their personal tablets and smartphones to link to the on-board Wi-Fi system to view all the entertainment package.
